DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or suggest a projection system comprising first and second aligned sequential imagers for modulating light in accordance with first and second grey scale values and separated by a relay lens system for receiving and focusing light from the first imager onto the second imager and having a single gauss lens set and a mirror at the system stop for reflecting the light back through the lens such that the light passes once in each of two directions through the lens set.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William C. Dowling whose telephone number is 571-272-2116. The examiner can normally be reached on MON-THURS.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Diane Lee can be reached on 571-272-2399. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
